

Prince of Peace School
2021 Summer Reading
Rising Second Graders!

Have you ever wondered about someone famous? Who was he/she *REALLY*? Have you ever been excited to learn about trailblazers or legends? This summer, all rising second graders will get to choose a book from the “*Who Was*” series. You will read a biography of a person whom you find interesting. Everyone should be able to find at least one book about someone who interests him/her, because there are over 200 books in the series.

Attached to this page, you will find a graphic organizer to be completed and returned to your future teacher the first week of school. Do your best to neatly complete the report. Include enough information so that you are able to complete tasks about your book upon returning to school.

Before you explore the books from the series, we want you to keep in mind that reading abilities do vary in children, especially in the early primary grades. Some of the books may be too difficult (or possibly even too easy) for your second grader. We know that you will be able to find one that is “just right” for your student.

In addition, please choose and read another chapter book and complete the fun report attached.

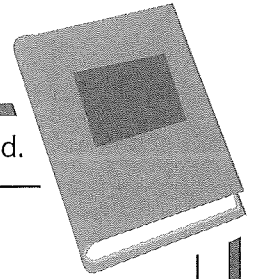

Students may read chapter books even if they are a little difficult for them. You can read them aloud with your child, or take turns reading it together. It is a wonderful opportunity to introduce children to chapter books and enjoy them together. We are so excited to discover the books you choose. Happy reading!
