

Prince of Peace School  
2020 Summer Reading  
Entering Second Grade!

Have you ever wondered who somebody famous really was or is??? Have you been excited to learn about trailblazers or legends! This summer, all rising second graders will get to choose a book from the Who Was series to read. You will each read a biography of a person who you find interesting. Each rising second grader should be able to find at least one book, about someone, who interests you, because there are over 200 Who Was books from which to choose!

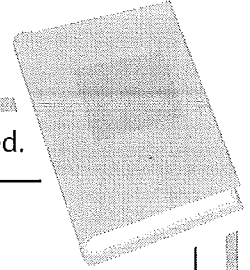

Attached to this page, you will find a graphic organizer to be completed and returned to your future teacher that first week of school. Do your best to complete it neatly and with enough information, so you will be able to complete tasks about your book when we return to school.

Before you explore the books from the series, we want you to keep in mind that reading abilities do vary in children, especially in the early primary grades. Some of the books may be too difficult (or possibly even too easy) for your 2nd Grader. Students may read chapter books even if they are a little difficult for them. You can read them aloud with your child. Or take turns reading it together. It's a wonderful opportunity to introduce children to chapter books and enjoy them together. We are so excited to discover which one you chose. Happy reading!
